The "New Riverside" means small, the Hotel & Boutique concept derive from a most significant remaining Khmer architecture in the world of Angkor Wat Temples built in 4 icon: earth, water, fire, air. The New Riverside Hotel is a place where you are treated so well, yet with un-condition of care. This tranquil hotel offers a multitude of relaxing opportunities within its Petit garden, swimming pool surrounded by bamboo tropical garden, jasmine flower, frangipani, Champa flower with a shaded for alfresco delights; the Champa Cafe offered wide range of khmer cuisine and western alike. The 60 suites are decorated in a classic Khmer contemporary, pristine white, dark khmer tile with private balcony, high ceiling, a khmer contemporary bathroom design reminded of 60s conceptualized architecture.
